This property is incredible!

Situated on the corner of the building this property is flooded with natural light and the huge windows take advantage of the northerly aspect and the stunning views into the treetops.

Entertaining is a breeze with a gourmet kitchen featuring a 3.5 metre island bench, a double pantry, a 900mm oven and induction cooktop as well as an integrated wine fridge, microwave oven and dishwasher.

The segregated master includes four lineal metres of wardrobing and a luxury ensuite. The second bedroom will easily take a queen sized bed, side tables and a study desk and the third is also generously proportioned.

The laundry is secreted behind crisp white cabinetry, and includes a front loading washing machine and dryer.
